INTER  
MAT.

## #concrete

### France 2020

**722**

production sites

**€2.8 Bn** sales excl. VAT

**20 million**

tonnes of concrete products

**19,200**

direct jobs

Source FIB

### Europe 2022

**345.6 million**

cubic metres of  
ready-mixed concrete  
in Europe 2021 (statista)

**€28 Bn**

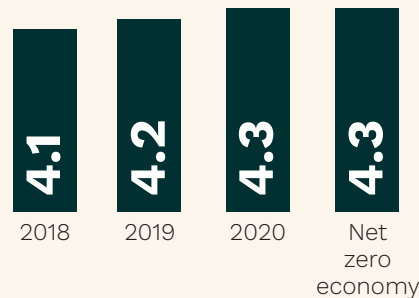

in sales (xerfi)

**550 000**

employees  
(CEMBUREAU)

### Outlook for growth in global cement production:

(in billions of tonnes)

lea.org

### Trends

The size of the global  
pre-cast concrete market  
is set to grow to  
**USD 198.9 Bn**  
in 2027

The compound annual  
growth rate will be  
**6.6%**  
between 2022 and 2027
